JIM JACKSON

ON TOUR

BIRGITTA DE PREE

Art Guffaw

Mr. Art Guffaw unravels the mysteries of fine art in a magical studio where the easels speak, the drawings come to life and the paintings dance. With a little help from Van Gogh and Picasso, master clown Jim Jackson creates a circus of ART that inspires us to look at the world with the eyes of an artist.

The Emperor's New Clothes

An hilarious adaptation of Hans Christian Andersen's best loved fairytales complete with silly emperors, rascally weavers, wild swans, brave princesses and flying trunks.

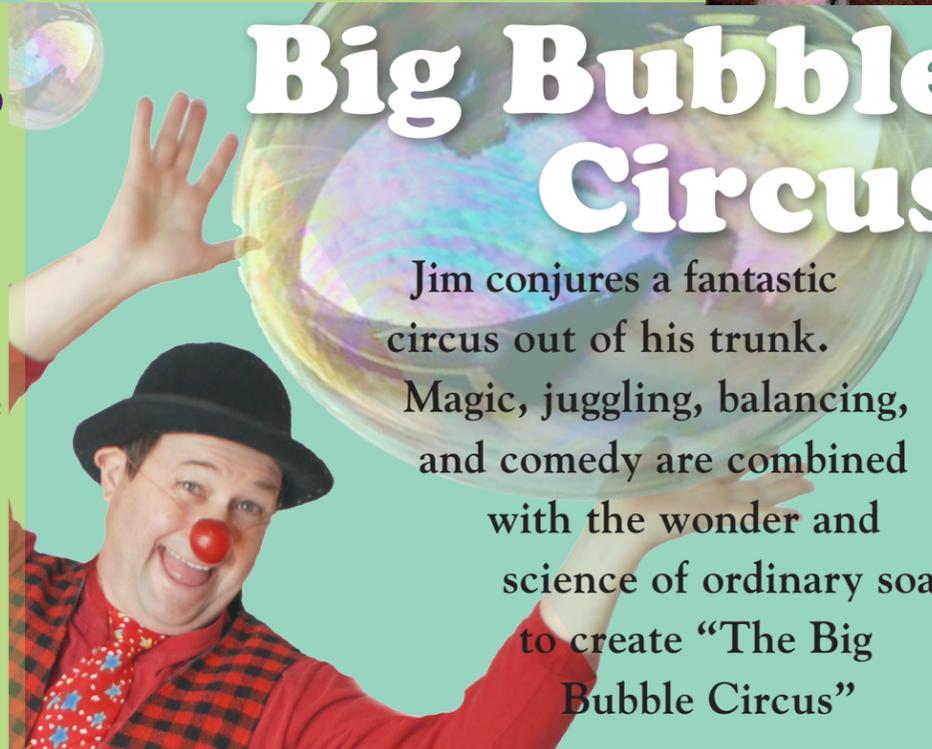

Museum of Dreams

Birgitta creates the magical world of a mischievous ghost haunting the local Pioneers Museum. Old hats, bags, trunks and cases contain stories of the Ute, the pioneers, the miners and the frontier women who settled the West in a heart-warming introduction to Colorado's rich history.

Big Bubble Circus

Jim conjures a fantastic circus out of his trunk. Magic, juggling, balancing, and comedy are combined with the wonder and science of ordinary soap to create "The Big Bubble Circus"

Busker & Me

Jim brings to life the adventures of "Busker" the mischievous circus dog using puppetry, juggling, magic and hilarious stunts. Audiences of all ages laugh out loud at the impossible antics of "one bad dog."

Elephant Tails!

Journey along on a theatrical safari and be amazed as unforgettable characters, remarkable elephants and surprising events come to life through the physical comedy and remarkable storytelling.

"With excellence and imagination you open doors for students that we cannot open any other way. It has been a delight to watch my students get catapulted into undiscovered realms as a result of watching your performances." TEACHER - GRACE BEST ELEMENTARY SCHOOL
